

CLANCY HAS A CLEFT...

AND A REALLY COOL SCAR!

read, draw, puzzles and much more

CleftPALS is very excited to announce the long awaited release of our new activity book, *Clancy Has A Cleft ...!!!* The purpose of this book is to raise awareness of the cleft condition, and to minimise the negative impact it may have on our children.

Who is it for? Well, it's for everyone!! We think it will help our children to accept their challenges more easily, knowing that there are lots of children just like them. We also think it will help them in the schoolyard, by simply educating their peers and teachers. But it may also be useful for parents to tell their story to their children, through the simple language and fun activities and puzzles.

We believe that *Clancy* will help open the dialogue and facilitate questions about clefts in our community, and ultimately reduce the teasing, as this is usually a product of ignorance or fear.

Individual copies can be purchased for \$4.00 at some community pharmacies around Victoria, some cleft clinics in the major hospitals or through CleftPALS.

Enquiries and orders should be forwarded to Tracey Law (tracey.law@bigpond.com) or 0408 882 038
